

Ronald N.S. Ho & Associates, Inc.
Electrical Engineers

Construction Inspector

About Us

Established in 1978, Ronald N.S. Ho & Associates, Inc. is one of Hawaii's largest electrical engineering consulting firms. It has provided electrical engineering services for various government agencies and private clients. Types of projects have included public and private buildings, site infrastructure systems, lighting systems, electrical distribution systems, and water and wastewater systems. This employee-owned company is seeking an experienced Construction Inspector looking to contribute in growing and expanding its capabilities throughout the State of Hawaii and the Pacific.

Primary Responsibilities

- Review plans and specifications to ensure they meet building codes, local ordinances, and zoning regulations.
- Monitor construction sites to ensure overall compliance by contractor.
- Use of various instruments, devices and test equipment to perform inspections.
- Inspect electrical, plumbing and other systems to ensure that they meet code.
- Verify alignment, level, and elevation of structures to ensure building compliance.
- Issue violation notices and stop-work orders until building is compliant.
- Maintain daily logs, including photographs taken during inspection.
- Provide written feedback related to the findings.
- Performs other duties as assigned.

Skills/Knowledge Requirements

- Must be familiar with construction drawings to ensure proper materials and procedures are followed.
- Experience in the electrical field preferred but not required.
- High school diploma required.
- Ability to work cohesively and compatibly with skilled trades.
- Good oral and written communications skills.

Ronald N.S. Ho & Associates, Inc.
Electrical Engineers

Construction Inspector (continued)

- Good organization, planning, and time management skills including the ability to establish priorities and objectives.
- Good problem solving, critical thinking, and decision-making skills.
- Ability to maintain strict confidentiality.
- Knowledge in Microsoft Office Suite.

Physical Demands

- Lifting and carrying up to 50 lbs.
- Driving to project sites as needed.
- Performing computer processing activities.

Working Conditions/Work Shift

- Night or weekend work may be required.
- Project locations are varied and may include remote locations.

Join Our Team

We offer a rewarding, nurturing, and collaborative environment for all our employees. If you have the skills necessary and meet the prerequisites listed above, please submit your letter of interest and resume to joinus@rnsha.com (Attn: Brian Sekiguchi). Salary is commensurate with experience. Ronald N.S. Ho & Associates is an Equal Opportunity Employer.
